Referendum Explanatory Statements and Effect of Votes

STATE OF WISCONSIN

The Wisconsin Constitution, article I, section 9m, currently provides that the state shall treat crime victims "with fairness, dignity and respect for their privacy." That provision also mandates that the state ensure that crime victims have certain "privileges and protections" relative to the accused and the criminal case. Separate Ms. Diane Lowe February 27, 2020 Page 2 from these constitutional provisions, chapter 950 of the Wisconsin Statutes provides a "bill of rights" for victims and witnesses of crimes. The proposed amendment would make five general changes to article I, section 9m, of the Wisconsin Constitution. First, in 16 subsections, the proposed amendment would expand the rights of victims by creating additional rights and incorporating other statutory rights into the constitution. Second, the proposed amendment would incorporate into the constitution a definition of "victim" similar to the definition currently in statute. Third, the proposed amendment would create an additional mechanism by which victims could enforce their rights as victims. Fourth, the proposed amendment would incorporate into the constitution a limit on governmental liability for any violation of victims' rights, similar to the limit currently provided by statute. Fifth, the proposed amendment would provide that it may not be interpreted to supersede a defendant's federal constitutional rights or afford party status in a proceeding to any victim. A "yes" vote on this question would amend the Wisconsin Constitution as summarized above. A "no" vote on this question would decline to amend the Wisconsin Constitution as summarized above. A "no" vote would not alter existing protections for crime victims.

CAMBRIDGE SCHOOL

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election questions as set forth above.

KETTLE MORAINE SCHOOL

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.

A "yes" vote on the question is a vote to authorize the School District of Kettle Moraine budget to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by $2,500,000 for the 2020-2021 school year; by an additional $1,500,000 for the 2021-2022 school year; by an additional $1,500,000 for the 2022-2023 school year; and by an additional $1,500,000 (for a total of $7,000,000) for the 2023-2024 school year and thereafter, for the recurring purposes of sustaining educational programming and operational expenses.

A "no" vote on the question is a vote to deny the School District of Kettle Moraine the authority to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by $2,500,000 for the 2020-2021 school year; by an additional $1,500,000 for the 2021-2022 school year; by an additional $1,500,000 for the 2022-2023 school year; and by an additional $1,500,000 (for a total of $7,000,000) for the 2023-2024 school year and thereafter, for the recurring purposes of sustaining educational programming and operational expenses.

In the event a majority of the electors voting on the question vote "yes", the District will be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by $2,500,000 for the 2020-2021 school year; by an additional $1,500,000 for the 2021-2022 school year; by an additional $1,500,000 for the 2022-2023 school year; and by an additional $1,500,000 (for a total of $7,000,000) for the 2023-2024 school year and thereafter, for the recurring purposes of sustaining educational programming and operational expenses; if a majority vote "no" on the question set forth above, the District will not be so authorized.
